

# Here's Every Tool You'll Ever Need To Service Every Safe You'll Ever Own.

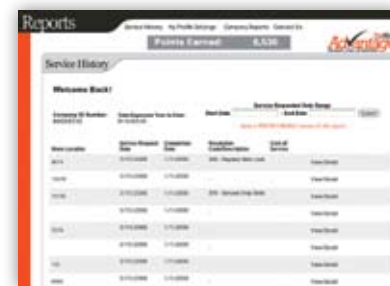

No matter how many safes, no matter how many locations, the FireKing® Advantage Service Program makes sure that the only tool you'll ever need is a quick call to us. With the FireKing Advantage Service Program, you control your repair costs through simple, easy-to-understand pricing\* while benefiting from reliable quality and responsiveness. For years now, you've known FireKing as an industry leader in cash handling and security. Now it's time to get to know us for our service too.

Getting started is a breeze. Just take a couple of minutes to sign up online or over the phone, and give us a call when you need us. Our qualified technicians will be ready to assist you with safe maintenance and repair for any safe brand\*\*. We can also provide locksmith services for all of your locations.

But our service commitment doesn't end there. After you sign up, keep track of your calls by logging onto [www.fireking.com/advantage](http://www.fireking.com/advantage). With our easy-to-use Advantage website, you can view dates, times, outcomes and a number of other details from every service call at any of your locations\*\*\*. All the best of FireKing service and information is at your fingertips.

Skilled, qualified, complete service. That's the FireKing Advantage.

To enroll, call 1-800-452-4655 or visit [www.fireking.com/advantage](http://www.fireking.com/advantage).
